

OFFICE OF
Town of New Glarus

9/14/2010

Andrew and Janie Crawford
W6608 Pioneer Rd.
PO Box 405
New Glarus, WI 53574-0405

Dear Andrew and Janie,

A recent review of Town of New Glarus land division records indicates two issues which need resolution. The first and most important is regarding your fire number which currently is identified for Pioneer Road. As you know Pioneer is approximately three-quarters of a mile from either residence on your property. Titus Lane, which serves your two residences, is a Town road and as such is a more appropriate reference for the dispatch of emergency services (fire or EMS) by the Green County Sheriff's Office. Therefore, for safety purposes a new fire number on Titus Lane should be issued to avoid any confusion or any unnecessary delay of emergency services if they are dispatched to any location on your property. The second concern is that there is only one fire number for two residences, so we are requesting that Green County issue a separate fire number for each.

These changes will impact your farm home and cottage addresses and may require changes to official documents. Please contact our Deputy Clerk-Plan Administrator John. There are several additional issues that need to be addressed. You may reach him at (608) 527-2390.

Respectfully,

Keith Seward, Chair
Town of New Glarus
